Joseph E. Stidham

Stidham Reconstruction & Investigation, L.L.C.

Personal

Joseph E. Stidham
Two Daughters:
Josi C. Stidham
Becca L. Stidham

Statement of Qualifications

During my eight years as a Kentucky State Trooper I worked over 400 accidents, giving me invaluable experience in the real world of accident investigation. During this time, I was trained as an accident reconstructionist, giving me the knowledge and experience to determine why and how accidents occur.

I used my reconstruction training not only to reconstruct accidents to which I was personally assigned but also assisted other state police personnel, prosecutors, and law enforcement agencies in accidents, which they were working. As a trooper I used my accident reconstruction training 50 to 75 times during my last two years as a trooper.

As part of my training as a KSP Trooper I was trained in the FMCSR. I was routinely assigned to investigate and enforced complaints of mining locations and trucking companies violating these laws and regulations. During my tenure as a Trooper I inspected hundreds of commercial motor vehicles both in operation and during collisions issuing hundreds of citations for violations of FMCSR.

As part of being a KSP Trooper I interviewed thousands of persons involved in motor vehicle accidents as well as various other types of criminal investigations. The largest criminal investigation, which I worked as a trooper, involved 91 burglaries in the post 13 area. I recovered over \$200,000.00 in stolen property and charged 22 individuals with engaging in organized crime. All 22 of these individuals plead guilty. I received the commissioner's commendation for my work on this case.

Beginning in July 1998 I opened Stidham Reconstruction & Investigation. Currently I have reconstructed over 1,500 traffic collisions. I have reconstructed traffic collisions for criminal defendants and/or their attorney's, the Commonwealth of Kentucky and /or its representatives, civil defendants and/or their attorney's, and plaintiff's and/or their attorney's.

I have been qualified as an expert in numerous courts across KY, TN, and WV. Some of the areas I have been qualified as an expert in are: Traffic Collision Reconstruction, Police Methods and Operations, Human Factors in Traffic Collision, Commercial Motor Vehicle Rules, Operation, and Regulations, Commercial Motor Vehicles Collision Reconstruction, 3-D Animations, Forensic Mapping, Event Data Recorder Imaging and Analysis.

I have conducted over 1,000 investigations including but not limited to criminal investigation, domestic investigation, people location, asset location, background investigation, and surveillance.

February 2015 SRI became a registered motor carrier with the US DOT. The US DOT number for SRI is 2582698. I am the compliance and Safety Officer for SRI.

August 28, 2020 Joseph Stidham obtained his Class A CDL License and completed the H.C.T.C CDL Training course.

Education/Training

- 2020** Entry-Level Driver Training Module 03: Pre- and Post-Trip Inspections, JJ Keller Online Training August 23, 2020
- 2020** CDL Training Course
H.C.T.C. Hyden, KY Campus August 1, 2020 thru August 28, 2020
- 2019** Event Data Recorder Use in Traffic Reconstruction Level II, IPTM Jacksonville Florida. December 13th, 2019
- 2019** Traffic Control Technician: ATSSA Las Vegas, Nevada (8) hrs. August 26, 2019
- 2019** Basic Work Zone Traffic Control and Flagger Qualification: University of Kentucky, Kentucky Transportation Center (8) hrs.
- 2019** Defensive Driving for CMV Drivers Module 1: Prepare JJ Keller Training on Demand
- 2019** Extreme Weather Driving: Driver Training Series: by JJ Keller Training on Demand
- 2019** Hours of Service Rules for Property-Carrying CMV Drivers: by JJ Keller Training on Demand
- 2019** Human Factors in Traffic Crash Investigation: by Forensic Training Group Nashville Tennessee April 24 - 26th 2019
- 2019** Heavy Truck Techniques including Digital Forensics, Nashville Tennessee February 18 - 22nd 2019

- 2018** Search and Rescue Training Utilizing Drones by: Hazard Community & technical College and Drone USA Port, March 23-25, 2018
- 2017** Human Factors for Traffic Crash Reconstruction by: Crash Safety Solutions, LLC Pelham, AL November 13-17, 2017 40 hrs.
- 2017** Managing DOT Safety & Compliance in accordance with FMCSR Smith System Safety & Compliance Orlando Florida March 13-17, 2017 32 hrs.
- 2017** Drug and Alcohol Training for Supervisors in accordance with FMCSR 382.603 Smith System Safety & Compliance Orlando Florida March 13-17, 2017
- 2016** Heavy Vehicle Control Module Data Use in Crash Reconstruction. Institute of Police Technology and Management, University of North Florida February 15-18, 2016
- 2015** J.J. Keller and Associates training on demand Driver Vehicle Inspections: Defensive Driving for Light & Medium Duty Vehicles
- 2015** J.J. Keller and Associates training on demand Driver Vehicle Inspections: The Complete Process
- 2015** FMCSA Annual DOT Inspection Training Truck Safety Services February 09, 2015
- 2014** Cargo Securement for Drivers: General Requirements Advance Online Solutions
- 2014** Cargo Securement for Driver: Concrete Pipe Advance Online Solutions
- 2014** Special Problems in Traffic Crash Reconstruction Institute of Police Technology and Management, St. Pete Beach, FL April 28 – May 2, 2014 (40 hrs.)
-

- 2014** Mapping Cell Phone Records Webinar February 24 (3 hrs.)
- 2014** DNA Dependency, Neglect, and Abuse Seminar Louisville, KY February 21 (6 hrs.)
- 2014** Electronic Spying and Tracking Spouses in Divorce Cases: What's Legal in the Digital World? Webinar (1.5 hrs.) February 18
- 2013** Edge Fx Advanced Diagramming July 24 and 25 (16 hrs.)
- 2013** Edge Fx Basic Diagramming June 25 thru 27 (24 hrs.)
- 2011** Event Data Recorder Use in Traffic Crash Reconstruction Institute of Police Technology and Management, University of North Florida October 24 thru 28, 2011 (40 hours)
- 2011** Best practices for CMV drivers: Pedestrians and Passengers, C.S.A. Online Certification Program August 13, 2011 (3 hrs.)
- 2011** CSA Basic 2 – Fatigued Driving (Hours of Service) FMCSR's, C.S.A. Online Certification Program August 13, 2011 (6 hrs.)
- 2011** Bachelor's in Science Degree in Police Science, Eastern Kentucky University, May 2011
- 2011** Best practices for CMV drivers: Changing Lanes and Passing, C.S.A. Online Certification Program March 04, 2011 (1hr.)
- 2011** Best practices for CMV drivers: Adverse Conditions and Emergency Situations, C.S.A. Online Certification Program March 04, 2011 (1hr.)
- 2011** Best practices for CMV drivers: Right-of-way and Intersections, C.S.A. Online Certification Program February 28, 2011 (1hr.)

- 2011** Best practices for CMV drivers: Curves, Turns, and Downgrades, C.S.A. Online Certification Program February 28, 2011 (1hr.)
- 2011** CSA – A Quick Start Guide for Drivers, C.S.A. Online Certification Program February 27, 2011 (1hr)
- 2011** CSA Basic₁ – Unsafe Driving FMCSRs, C.S.A. Online Certification Program February 27, 2011 (2hrs.)
- Defensive driving practices for CMV drivers
 - More defensive driving practices for CMV drivers
- 2011** CSA Basic₅ – Vehicle Maintenance FMCSRs, C.S.A. Online Certification Program February 27, 2011 (2hrs.)
- Vehicle inspections
 - Parts and accessories inspected by CMV drivers
- 2011** Defensive Driving Practices, C.S.A. Online Certification Program February 27, 2011 (2hrs.)
- What type of driver are you?
 - Be a defensive driver
 - Dangers drivers face
- 2009** Energy Methods and Damage Analysis in Traffic Crash Reconstruction Institute of Police Technology and Management, University of North Florida July 6th-10th, 2009 (40 hrs.)
- 2009** Seminar: Big Truck Cases Jump Start Your Case with These Winning Tactics (8hrs.)
- 2008** Applied Physics for the Traffic Collision Investigator, Institute of Police Technology and Management, University of North Florida August 18th – August 22nd, 2008 (40 hrs.)
- 2007** Traffic Crash Reconstruction Update, Institute of Police Technologies and Management, New York State Police Academy September 10th - Sept 14th, 2007 (40 hrs.)
- 2007** Basic Rider Course Motorcycle Safety Foundation March 23rd- March 25th, 2007 Eastern Kentucky University

- 2006** Associates in Arts Degree Hazard Community College, December 15th, 2006
- 2006** DNA Diagnostics Center Evidence Collection Training Program March 17th, 2006
- 2006** Methodology and Techniques of Crash Data Retrieval Institute of Police Technology and Management, University of North Florida February 27, 2006-March 01, 2006 (24 hours)
- 2005** Advanced Commercial Vehicle Crash Investigation Institute of Police Technology and Management, University of North Florida August 01, 2005- August 05, 2005 (40 hours)
- 2005** Inspection and Investigation of Commercial Vehicle Crashes Institute of Police Technology and Management, University Of North Florida June 06, 2005- June 10, 2005 (40 hours)
- 2005** Advanced Traffic Crash Reconstruction with WinCrash Institute of Police Technology and Management, University of North Florida (May 02, 2005-May 06, 2005 40 hours)
- 2005** Advanced Collision Diagramming Including 3D Animation February 25 & 26, 2005
- 2003** Institute of Police Technology and Management, University of North Florida Certificate of completion in Human Factors in Traffic Crash Reconstruction (March 24-March 28, 2003 40-hour training course)
- 2002** Nikon Certificate of Completion in the theory and operation of the Nikon automated Investigation Measurement System (February 13, 2002 8 hours)
- 2001** Institute of Police Technology and Management, University of North Florida Certificate of completion in Investigation of Motorcycle Crashes (February 12-16, 2001 40 hours training)
- 2000** Truck Accident Litigation in a Nutshell (March 22, 2000 6 hours training)
-

- 1999** Southeastern Collision Reconstruction Conference
(October 18-21, 1999 32 hours training)
- Topics covered during this seminar were as follows:
1. Collision Reconstruction/Simulations Using Computer Applications
 2. Human Factors in Traffic Collision
 3. Legal Aspects for the Collision Reconstructionist
 4. Crash Briefing and Discussion
 5. Post Collision Vehicle Examinations
 6. Crush Measurements using Electronic Measuring Instruments
 7. Vehicle vs. Pedestrian Issues
 8. Vector Diagramming
 9. Steering and Suspension
 10. Occupant Kinematics
 11. Methods for Determining Drag Factors
 12. Collision Scene Documentation
 13. Physics Review
 14. Crash Data Recorders
- 1999** Allied Signal-Bendix Air Brake Training School Certificate of Certified as an Air Brake Specialist
(March 15-18, 1999 32 hours training)
- 1998** Handy Works was closed
- 1997** Kentucky State Police Reconstruction Certification Examination Process
(November 21, 1997)
- 1997** Kentucky State Police Academy Certification in Advanced Accident Reconstruction Seminar
(November 17-21, 1997 40 hours training)
- Topics covered during this seminar were as follows:
1. KSP Reconstruction Program
 2. Mechanism of Injury: The Forensic Application
 3. Forensic Total Station: Issues and Answers
 4. Advanced Pedestrian Accident Investigation
 5. Strength and Weakness of Crash
 6. Human Tolerance to Injury/Advanced Crash Forensics
 7. Trace Evidence in Vehicular Collisions

8. Exemplar Cases

- 1996** Owner operator of Handy Works (General Contractor)
- 1996** Kentucky State Police Academy & Sokkia Forensic Mapping Stations Certification of Completion as a Forensic Mapping Specialist
(40 training hours)
- 1996** Institute of Police Technology & Management, University of North Florida Certificate of Completion in Inspection, and Investigation of Commercial Vehicle Accidents
(February 26-March 1, 1996 40 hours training)
- 1996** Institute of Police Technology & Management, University of North Florida Certificate of Completion in Traffic Accident Reconstruction
(February 12-23, 1996 80 hours training)
- 1996** Institute of Police Technology & Management, University of North Florida Certificate of Completion in Advanced Traffic Accident Investigation
(January 22-February 2, 1996 80 hours training)
- 1995** Kentucky Department of Criminal Justice Training Certificate of Completion in at Scene Traffic Accident Investigation
(November 27-December 8, 1995 80 hours training)
- 1992** Search and Seizure warrants training by U.S Attorney's Office AUSA Mark Wohlander instructing
- 1992** Drug interdiction training by the DEA and AUSA Mark Wohlander
- 1990** Kentucky State Police Academy Certificate of Graduation in Basic Police Science
(May 20-October 20, 1990 880 hours training)

Areas of training during this 880 include but are not limited to the following:

1. Police Community Relations
2. Introduction to KSP Radio FCC Rules and Regulations & Radio Procedures

3. LINK/NCIC
4. Traffic Law
5. Basic Terrain Control
6. Manual Traffic Control
7. Radar Training
8. Patrol Duties, Methods, Attitudes and Preparation
9. Vehicle Stops
10. KSP Patrol Policy
11. Observation and Perception
12. Hazardous Materials
13. Introduction to Special Response Team
14. EOD Bombs and Bomb Threats
15. Drivers Training
16. Introduction to Accident Investigation
17. Vehicle Collision Analysis
18. FMCSR
19. Interpersonal Communications
20. Stress Awareness
21. Crisis Intervention
22. Handling the Mentally Disturbed
23. Death Notification
24. DUI Detection
25. DUI Breath Testing
26. Accident Investigation Techniques
27. Skid mark Analysis
28. Hit and Run
29. Deaf Awareness
30. Human Relations
31. Overview of Violence
32. Victim Awareness
33. Domestic Violence-Abuse
34. Law Enforcement and Older People
35. Causes-Characteristics of Battering Men
36. Domestic Violence Criminal Investigation
37. Canine Services
38. Interdiction Enforcement
39. Approach to Danger
40. Off Duty Confrontations
41. Violent Domestic Encounters
42. Power Line Safety
43. Accident Investigation-Field Projects
44. Accident Investigation-Exemplar Case Study
45. Accident Scene Scale Drawing
46. Burglary Investigation

47. Medical Examiner's System
48. Arson Investigation
49. Crime Prevention]
50. Narcotics/Dangerous Drugs
51. Auto Theft
52. Number Restoration and Vehicle Inspection
53. Informants/Intelligence Gathering
54. Applies Criminology
55. Hostage Negotiations
56. Polygraph Proceedings
57. Courtroom Testimony and Demeanor
58. Questioned Documents
59. Techniques and Procedures for Interviews
60. Confessions, Admissions, and Statements
61. Crime Scene Reconstruction
62. Case Preparation (Practical)
63. Crime Scene (Practical)
64. Major Case Investigation
65. Rape Victim Interview
66. Psychological Effects of Sexual Assaults
67. Victim Interview
68. Child Abuse
69. Sex Offenses
70. Autopsy
71. Interview Skills: Non-verbal Communications (Kinesics)
72. Organized White Collar Crimes
73. Sects, Cults, and Deviant Movements
74. Child Sexual Abuse Investigation
75. Certified as an Emergency Medical Technician
76. Crime Scene and Accident Scene Photography

1990-1987

Eastern Kentucky University, Richmond Kentucky
(102 credit hours earned in Police Science Curriculum)

2007-1987

Hazard Community and Technical College
(28 credit hours earned associate in arts degree)

1990

Kentucky State University
(21 hours earned through the KSP Academy)

**Commendations &
Honors**

- 2007** Dean's list Hazard Community and Technical College
- 2007** Who's Who Among Students in American Junior in American Junior Colleges
- 2006** President's Honor's list Hazard Community and Technical College
- 2006** Dean's list Hazard Community and Technical College
- 1996** Certificate of appreciation Kentucky Tech Leslie County ATC Staff and Students
- 1995** Commissioner's Commendation for Criminal Investigation
- 1994** Recipient of Governor's Drunk Driving Award
- 1993** Recipient of Governor's Drunk Driving Award
- 1984** Honorary Page to the Kentucky Senate
- 1984** Named an Honorary Duke of Hazard

Professional Experience

- May 1990-
October 1990** Kentucky State Police Academy
- October 1990-
September 1993** Kentucky State Police Trooper Post 9 Pikeville
Responsibilities included criminal and accident Investigations, criminal and accident scene Photography and interview interrogation of witness and suspects
- September 1993-
May 1998** Kentucky State Police Post 13 Hazard
Responsibilities included criminal and accident

investigations, criminal and accident scene photography, interview, and interrogation of witnesses and suspects. Beginning March 1996, I became an accident reconstructionist adding a new responsibility of accident reconstruction. May 30th, 1998, I left the KY State Police in good graces.

July 1998 to Present

Stidham Reconstruction & Investigation

Accident Reconstruction & Private Investigation
From May 1998 until today I have had the opportunity to work with over 400 attorneys, the Kentucky Department of Public Advocacy and numerous insurance companies while reconstructing over 2,000 motor vehicle accidents. I have also conducted numerous private investigations ranging from divorce to murder investigations.
